

FBI FIELD OFFICE PERMISSION FORM

At the 2019 Nebraska GenCyber Camp, as part of our **Careers in Computing Module** which shows our campers different career pathways into computing, we are offering our campers an opportunity to tour the FBI Field office in Omaha and meet with some of their female leaders in Nebraska. **The field trip is entirely optional.** If you would prefer your child not attend, there is no need to return this form. Students not attending the field trip will have alternate camp activities to take part in.

Regrettably, due to FBI procedures, only US Citizens are allowed on their premises. They also require us to submit a guest list prior to our visit. By signing this form, you consent to allowing us to share your child's name on that guest list. **No other information about your child will be provided to any third parties, including, but not limited to the FBI field trip location team.**
